NOTICE OF PUBLIC HEARING

Monday, June 3, 2024

5:30PM

Golden Harvest Grange Hall
928 Main Road

Solar & Wind Farm Public Discussion

The Town of Carmel Planning Board is holding a public hearing to discuss the future of solar and wind farms being installed in Carmel. The board wants to hear residents' views.

Several applications have been received in the last few years regarding these renewable energy sources. In April 2024, selectmen placed a moratorium to allow the town time to create an ordinance for future projects.

The Planning Board has scheduled a public hearing at 5:30PM on June 3, 2024 at the Golden Harvest Grange Hall to hear public opinions. If you have questions or concerns regarding this matter, or if you would like to submit your opinion but are unable to attend the meeting, please contact me in advance.

Thank you,
Jessica Meek
Planning Board Chair
